

## Essentials to be Purchased

### **Marching Band Fee: \$200**

This allows us to operate during the fall season. This fee helps pay for instructional staff, food, travel, uniform, instrument repair, music, competition registration, etc. Through fundraising, every dollar of the fee can be raised, with no money coming out of the pocket of the student or parent. I would prefer that the student raise the money in order to create personal ownership in the band, however, direct payments are accepted. The band fee does **NOT** cover all of our costs. Once the students' fees are raised, we ask that they continue with the fundraising process in order to ensure we have a successful and enjoyable marching band season.

**Band Camp Fee: \$50** This allows us to know exactly who is participating and who to write a spot for in the halftime show. This fee will go towards the marching band fee. This can be raised during a pre band camp fundraiser. Details will be on the website July 15<sup>th</sup>.

**Marching Band Shoes: \$30** A one-time purchase that should last all four years of band.

**Uniform Gloves: \$3**

**Black Socks for Uniform: \$2.00**

**Band Shirt: \$10 for student/\$15 for parents and friends**

All uniform accessories (shoes, gloves and shirt) will be ordered and purchased during band camp.

Khaki shorts, band shirt and tennis shoes are the required uniform for Friday night football games due to heat. Full uniform will be worn for competitions and when the weather cools.
