

# Parent Profile Form

The key to a successful program is the support of staff, students, and especially, the parents. If you can be of assistance in any of the following areas, please volunteer your time and talents. There is nothing more rewarding than being an active member of a fine organization, and your involvement speaks volumes about how you value the choices your child makes. Please indicate any task in which you are willing to help during the year by writing a check mark next to the appropriate activity.

- Water committee
